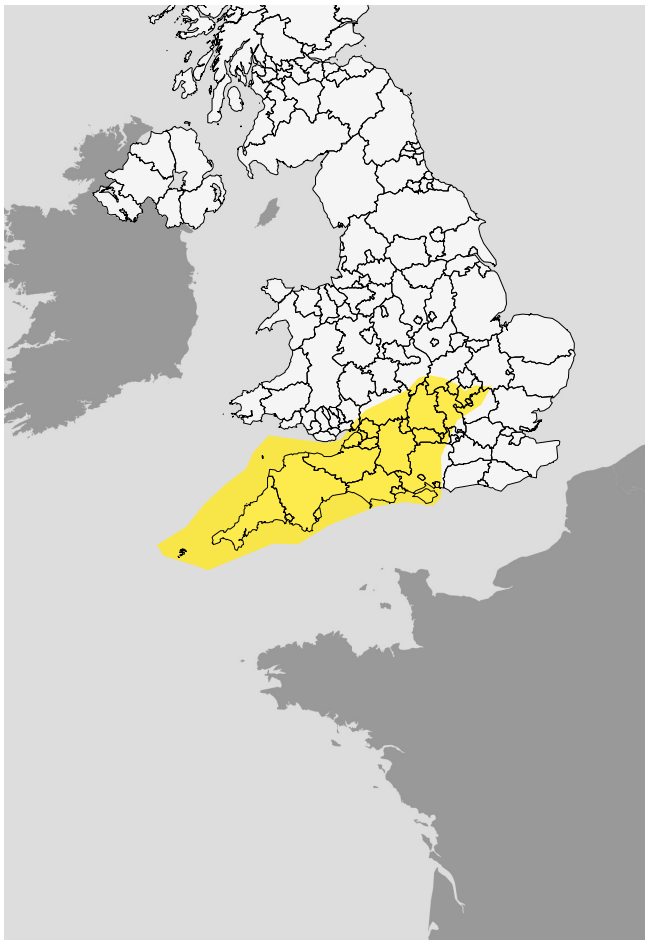
Yellow warning
Rain

Between
00:00 Wed 20 Jan 2021 and
06:00 Thu 21 Jan 2021



Spells of heavy rain may lead to travel disruption and flooding in places.

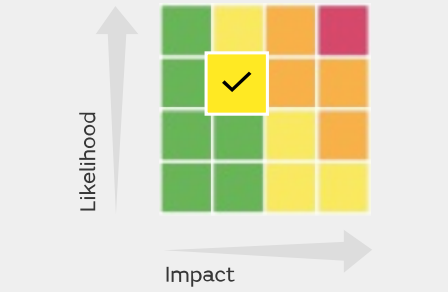
What to expect

- Flooding of a few homes and businesses is possible
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services possible

Further details

Occasionally heavy rain is expected to affect the region for the rest of today and into early Thursday as Storm Christoph affects the UK. The heaviest and most persistent rain is likely to be across the higher ground in the southwest. A further 20 to 30 mm of rain is expected to fall in places, and perhaps a further 50 mm likely over the moors in the southwest.

Strong winds will accompany the rainfall and may add to travelling difficulties across higher and more exposed routes.



Medium likelihood of low impacts
